Douglas Mundil/Jeffery Hummel  
Des Moines School System RE: Cafeteria Sound System  
Roosevelt High  
4419 Center St, Des Moines, IA 50312

Gentlemen:

Here is the information on Distinctive Sound installing a new sound system in the cafeteria at Roosevelt.

The installation should be reactively easy due to the drop-tile ceiling and no lift requirement. We shall install twelve white flush mounted speakers spaced in two rows length wise. A locking wall mounted cabinet (customer owned) shall also be installed in the room we viewed with the power located just below. The amplifier and wireless mic receiver will be housed in the cabinet.

There will be two quote options. The first quote is for a standard PA/Music reinforcement system such as installed at Harding cafeteria. The second will be for a higher performance system with full range JBL speakers.

## **Standard System Equipment:**

1	JBL CSMA1120 120 watt audio amplifier	\$730.80
1	Audio Technica ATW-11302 Handheld wireless mic	511.63
12	Mood XDA521T White Flush Mount Ceiling Speakers	804.00
1	18/2 Plenum approved speaker cable	75.00
1	Remote wall mounted Bluetooth device	115.97
1	Installation (includes incidentals)	<u>700.00</u>
<b>Total Investment</b>		<b>\$2,937.40</b>

## **Pro-Sound System Equipment:**

1	TOA A848D Digital Mixer Amplifier 480 watts	\$1332.38
12	JBL Control 26CT White flush mount speakers	2236.75
1	Audio Technica-1302 Handheld wireless mic	511.63
1	16/2 Plenum Speaker cable	147.00
1	Remote Wall mounted Bluetooth device	115.97
1	Installation (includes incidentals)	<u>700.00</u>
<b>Total Investment</b>		<b>\$5,043.73</b>

All equipment has a minimum one-year warranty parts and labor. Manufacturers' warranties that are longer apply.

Let me know if you have questions or concerns and thank you for giving us this opportunity to serve you.

Sincerely,

Kevin Ketelsen Office 515 253 9020 Cell 515 250 1227
