Total Amount Requestes

1000.00

Project Goal (What learning objective will be met? How will the project meet current needs of students, staff or community? What will the project accomplish?)

Providing school supplies to students will help them fully engage in their learning. Unfortunately, not all students can afford the materials needed for school.

Project Management (Who will manage project? Is there additional oversight needed? Are you interested in having a member of the TRHS Foundation board assist?)

Laura Amsler, Jeff Hummel, Kristen Allan; no additional oversight needed; no need for assistance

Project Target Population (How many students will benefit? Is this within a specific department, staff-related, etc.? What demographic of students will this serve?)

Supplies will be available for any student in need

Project Duration (How long will the project last? Do you believe there is a long-term impact instead of a one-time benefit?)

The supplies will be available for students for this coming school year 2025-26

Project Funding Sources (Have you applied for any additional funding, if so, from who and have you been awarded funds? Are there matching funds available? Are you pursuing any additional funding at this time? Please specify dollar amount where able.)

The PTA is donating supplies, Plymouth Church is donating some supplies, we will also receive some supplies through the community-wide school supply drive (however, very limited supply of backpacks come from the community-wide drive)

Additional Information (Please provide us any additional information you feel might be important to making our funding decision.) *

We will be doing on-site visits at Oakridge and Deer Ridge and the school is hosting a back to school bash at Drake Park. We would like to give out supplies at these events and we would also like to have supplies on hand at the beginning of each semester for students who are in need. In addition, we often have students transferring from other communities or refugees who enter the country mid-semester who don't have the needed supplies.

Project Budget (Please provide a DETAILED budget below for the entire project costs. Simply upload your budget here.)
